**The Friends of Steve McQueen Car and Motorcycle Show June 3, 4 and 5:
*Revving up with “On Any Sunday” Movie Theme***

“Every time I start thinking the world is all bad, I start seeing some people out having a good time on motorcycles and it makes me take another look.” — Steve McQueen.

Chino Hills, CA: Get ready, motorsports enthusiasts, to enjoy your own good time. Registration is now open for the 2022 Friends of Steve McQueen Car and Motorcycle Show. The 15th annual event will return to Boys Republic on the first weekend in June, to benefit the private, non-profit school and treatment center for troubled teenagers.

This year’s theme, *On Any Sunday*, marks the 50th anniversary of the cult classic motorcycle documentary. It was produced by Steve McQueen and features the actor, other well-known racers and regular adventure-seeking folks, joining in the early 1970s explosion of various types of off-road motorcycle racing. In that spirit, the Friends of Steve McQueen Car and Motorcycle Show offers “something for everyone” and is a car show like no other.

The popularity of the Friends of Steve McQueen Car Show was evidenced by last year’s success with approximately 450 cars and motorcycles exhibited to more than 10,000 attendees. Most importantly, the 2021 show grossed \$811,000 for Boys Republic’s Apprenticeship Program, which provides disadvantaged program graduates with paid job training experiences.

Boys Republic was established in 1907 as a private, non-profit school and treatment community for at-risk teens. Steve McQueen lived on the Chino Hills campus from 1947-49, where services continue today for teenage boys. A companion program for girls is also offered in Monrovia.

Founded on the principles of individual responsibility and self-respect, the nationally-regarded Boys Republic program gives its students a formal high school education, broad-based vocational training, extensive professional guidance and – very significantly – meaningful work that lets them learn the demands and enjoy the rewards of earning part of their own way.
